Flash Presentation & Poster Session Deadline : June 30, 2015

Poster session for development and application of analytical instruments, including sample preparation methods and data analysis, will be held in Makuhari-Messe. We welcome submission from academic, public institutional and industrial researchers. We also welcome ongoing projects, and proposals of collaboration. Each poster presenter will have a short presentation before the session.

Poster prizes

- ▶ RSC Best Presentation Award ("Analyst" Poster Prize) (top 3 posters)
- ▶ Poster Presentation Award (10 posters)

JASIS 2015

JASIS 2015, the largest Japanese Exhibition on Analytical Instruments, will be held in Makuhari-Messe between September 2nd and 4th. We hope the presenters and attendees to enjoy both science and technology discussion on the session, and seeking the latest analytical instruments on the exhibition.
