Micro/Nano Technologies for Analysis of Human Health and Diagnostics

Date: September 6-7, 2012 Place: Makuhari Messe, Chiba

Plenary Lecture Session

Plenary lecture session by distinguished scholars in micro/nano technology fields will be held in Makuhari-Messe.

Flash Presentation & Poster Session

Poster session for development and application of analytical instruments, including sample preparation methods and data analysis, will be held in Makuhari-Messe. We welcome submission from academic, public institutional and industrial researchers. We also welcome ongoing project, and proposal of collaboration. Each poster presenter will have a 60-90 s flash presentation before the session.

Poster prizes

- ▶ RSC Poster Award, RSC Tokyo International Conference (top 3 posters, or so)
- ▶ Poster Award, RSC Tokyo International Conference (top 7 posters, or so)

JASIS 2012

JASIS 2012, the largest Japanese Exhibition on Analytical Instruments, will be held in Makuhari-Messe between September 5th and 7th. We hope the presenter and attendee to enjoy both science & technology discussion on the session, and seeking the latest analytical instruments on the exhibition.

Important Dates

Submission	July 17, 2012
Abstract File	July 31, 2012
Flash Presentation File	September 3, 2012
Poster & Flash Presentation (Mixer)	September 6, 2012
